

# 10. Litany of the Passion

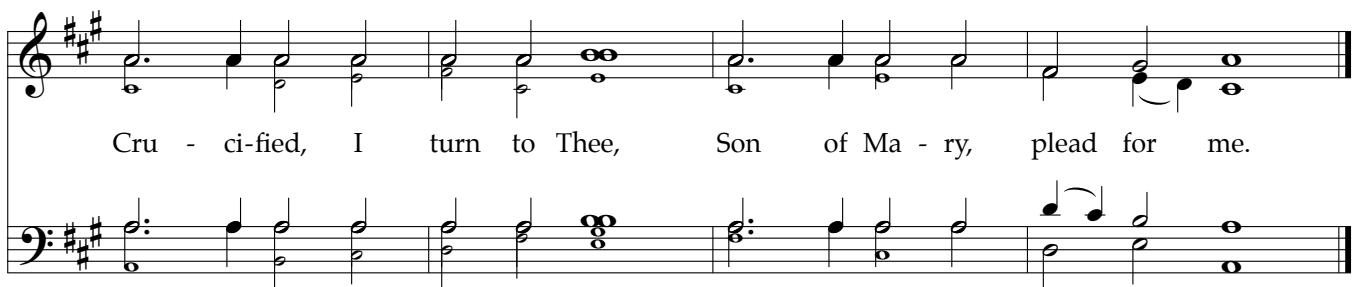

*The Crucifixion*

1. Ho - ly Je - su, by Thy Pas - sion, By the woes which none can share,  
2. By the trea - che - ry and tri - al, By the blows and sore dis - tress,  
3. By Thy look so sweet and low - ly, While they smote Thee on the Face,  
4. By the hour of con - dem - na - tion, By the blood which trick - led down,  
5. By the path of sor - rows drear - y, By the Cross, Thy dread - ful load,  
6. By the Spir - it which could ren - der Love for hate and good for ill,

Borne in more than king - ly fash - ion, By Thy love be - yond com - pare:  
By de - ser - tion and de - ni - al, By Thine aw - ful lone - li - ness:  
By Thy pa - tience, calm and ho - ly, In the midst of keen dis - grace:  
When for us and our sal - va - tion, Thou didst wear the robe and crown:  
By the pain, when, faint and wear - y, Thou didst sink up - on the road  
By the mer - cy, sweet and ten - der, Poured up - on Thy mur - derers still:

Cru - ci - fied, I turn to Thee, Son of Ma - ry, plead for me.
